News From Nurse Penny: Sun Seniors and Safety.

With soaring temperatures and blazing sunrays, it is important to take precautions to stay safe. *Water, water every hour. Sip from a water bottle; add lemon or cucumbers for flavor. *Elder skin is more sensitive; wear sunscreen, sunglasses and a broad hat. *Apply sunscreen 30 minutes before going outdoors. The sunscreen should be water resistant, broad spectrum that protects against both UVA and UVB, with a SPF of 30 or higher. Pay special attention to the hands, feet and any bald spots. Lip balm with a SPF of at least 30 should also be used *Have a fun summer and be safe. HYDRATE!

! IMPORTANT REMINDER

Please notify PENNY of any medication changes AND changes in health status or physicians. It is for your loved one's wellbeing and is critical that we have the most up to date information.

Please call us by noon the day before a scheduled day of attendance (or Friday by noon if you are cancelling a Monday) if you are not coming. We have to pay for all the lunches & snacks whether everyone is here or not. We are strongly enforcing our \$5.00 meal charge policy if we are not notified as above. Current client's caregivers can usually reach a live person when you call 556-3250. Thank you.

ALSO... Please be sure to keep a change of clothes here, as well as any personal protection needs. Also an extra sweater to leave here in the event it gets too chilly for your loved one.
