Other Services

Be sure to check out other programs at the Venice Campus. More information is available at the Information Desk and in Prime Times, a monthly newspaper published and inserted in the Sarasota Herald Tribune during the first week of every month. The paper is also available at locations throughout the county, and in the activity center.

Nutrition Programs

Enjoy a meal in a friendly social setting for the 60+ crowd at the Friendship Café. Or arrange for delivery of nutritious meals to isolated seniors through the Friendship Centers' Home Delivered Meals program. Ask a friendly volunteer or staff member for more information.

The Caregiving Place

A licensed Adult Day Service features supervised, engaging activities for seniors with cognitive or medical issues. It's an inviting place to socialize with others, sharpen cognitive skills, reduce frustration, enjoy healthy meals, and feel valued. Caregivers are offered a wealth of resources to help decide the best caregiving plan and support groups where participants can ask questions, voice concerns and get new ideas from others.

Center for Healthy Aging

Volunteer retired physicians, dentists, nurse practitioners, physician's assistants, nurses and clinic aides provide life-saving care to persons 50+ who meet financial criteria. Many individuals come to the Health Clinic in crisis, without health insurance, and are returned to wellness – in some cases, saving lives.
