IMPORTANT REMINDER

Anyone who is out sick will need a letter from a medical doctor stating that they are safe to return. Please note, this goes for ANY illness, fall or change in abilities.

In addition: Please notify PENNY of any medication changes AND changes in health status or physicians. It is for your loved one's wellbeing and is critical that we have the most up to date information.

Important Notice: If we do not receive a written, e-mail or direct phone call to the nurse or Debbie before noon the day before scheduled day of attendance, there will be a cancellation charge to your Living Room Invoice. Not only does it cost us for the lunch, it can cost us for a staff brought in to comply with our license. We are a non-profit and your compliance with this policy is much appreciated.
